

Experience Hub - suggested prompts

For the sake of experiment, for each preset we can add suggested prompts so user can start working with the agents.

Ideally, we should integrate with [Prompt Library Platform](#) (there is API available).

[Interaction prototype](#) | [Figma mock](#)

These prompts were extracted from [Grafana dashboard](#) on Feb 19, 2026.

3/5 agents - discovery agent, optimization agent, development agent - PARTIAL_AGENTS

Content author

Prompt	Tag	
Tell me more about discovery agent	Learn	pk
Show all published content fragments for [site]	Find	discovery
